## **Reg: Payment of School Fees through School ERP**

We are happy to announce that the implementation of ERP (Enterprise Resource Planning) is now successful.

With reference to our previous communication dated 03-04-23, we are pleased to inform you that the fees of your ward has been uploaded on our new ERP system, and the payment gateway for the academic year 2023-24 is now fully operational.

You can now conveniently pay the fees for your ward through the portal using the following URL:  
<https://candoursystems.com/ramjasfee/Payfee.html>

**The fee link is also available on the school website.**

Due to the delay in setting up the payment gateway, the last date for payment for fees for the month of April 2023 and Annual Charges will be **30<sup>th</sup> April 2023**. A fine of Rs. 10/- per day will be charged for payments made after the due date. Please also note that the last date for payment of fees will be **7<sup>th</sup> of the respective month, from May onwards**.

As with any new system, there may be some initial adjustments and we appreciate your patience and cooperation during this transition period. We assure you that we are committed to resolving any issues.

In case of any difficulty regarding the fee payment process, please do not hesitate to contact us at [+91-9625687772] or [ [support@candoursystems.com](mailto:support@candoursystems.com) ].

Thank you for your continued support and cooperation.
