Dear Students,

Let's unite to celebrate **Earth Day 2026** with the theme: **Our Power, Our Planet**. The aim of this celebration is to encourage environmental awareness and inspire students to adopt sustainable practices in their daily lives. A series of engaging and meaningful activities have been planned for different classes.

Event Highlights

- **Classes 6–8: Poster Making / Doodle Making / Essay or Poem Writing** based on the Earth Day theme.
- **Classes 9–12: Short Film Making(less than 2 min) / Doodle Making/ Poster Making** based on the Earth Day theme.

Note- (Design an A3 sized artwork showcasing your vision. Write a poem or essay on the theme in Hindi or English on an A4 sheet).

🏆 **Winners will be awarded during the Earth Day Assembly!**

📌 **Submission details-**

- All activities should be based on the Earth day theme and completed at home under parental guidance.
- Submit your work to your class teacher by **April 13th 2026**.

We request all students to participate enthusiastically and contribute towards making our planet a cleaner and greener place.

Let us take a pledge this Earth Day to protect and preserve our environment for future generations.

With regards

Ms. Richa Sharma
