	<p>SCIENCE</p>
	<p>1. Choose the constellation of your own zodiac sign and write a short note on its features and characteristics.</p> <p>2. Research and write about any recent satellite launched by India, including:</p> <ul style="list-style-type: none"> <li>○ Its distance from the Earth</li> <li>○ Its purpose and how it helps u</li> </ul> <p style="text-align: center;"><b>DO ABOVE SCIENCE WORK NEATLY IN CLASSWORK NOTEBOOK.</b></p>

## SOCIAL SCIENCE

### Ch:- India – That is Bharat

A. Map Work – On an outline map of India, do the following:

1. Mark and label the Indus River
2. Mark and label the Sindhu River
3. Shade and label Aryavarta
4. Write ONE sentence below the map: Why was Aryavarta important in ancient India?

### B. Booklet Making

Topic: My Nature Heritage Book

Instructions: Prepare a small handmade booklet featuring 3 local birds, 3 local trees, and 3 local flowers.

For each one, write its name, one or two key features, and its importance in nature.

You may draw or neatly paste pictures.

Use coloured sheets and decorate the booklet creatively.

2. Practice Map Works of the syllabus.
3. Do revision for final exams.

## SANSKRIT
